## PROJECT

"Klänge der Welt" (Sounds of the World) is a project initiated by the Swabian Choral Association to aid networking within Heilbronn's **multi-cultural music scene**. All musicians, singers and music groups based in and around Heilbronn can take part, especially those playing music from different countries, or one country in particular. Partners of this project are the Netzwerk der Kulturen in Heilbronn and the "Stabsstelle Partizipation und Integration" Heilbronn.

In the framework of a **weekend workshop**, you will be working on part of the programme for the choral festival Chorfest Heilbronn, which takes place in late May 2019. Whether the result is a "conventional" **concert** or of a different format altogether is up to you – we are open for your creativity and experiences.

## WORKSHOP

The workshop follows the concept of so-called **ethnopedagogy**, which works largely without written music and is based on the idea of **mutual teaching**. This means you as participants learn from each other by teaching one another pieces of music and developing them under the lead of two experienced music coaches.

### Schedule

05/25/2019: 10am-6pm Workshop at Heinrich-Fries-Haus Heilbronn  
In the evening: jam session

05/26/2019: 10am-6pm Workshop at Heinrich-Fries-Haus Heilbronn

05/30/2019: From 2pm sound check and dress rehearsal  
9pm **concert** at the Chorfest Heilbronn

Refreshments during workshop hours will be provided.

## CONCERT

The concert takes place in the framework of the Swabian Choral Association's choral festival "Stadt Chor Natur" (City Choir Nature) on the site of the Bundesgartenschau (Federal German Garden Show). Admission to the Bundesgartenschau is free for participants on the day; special conditions will apply for fan groups.

Further information about the project "Klänge der Welt" and the choral festival can be found at [www.chorfest-heilbronn.de](http://www.chorfest-heilbronn.de).

Project lead: Daniela Höfele, project collaborator: Ruth Kafitz.

## REGISTRATION

Participating in "Klänge der Welt" is **free of charge** under the condition that participants **attend all two workshop days** (25 and 26 May 2019) as well as the sound check, dress rehearsal and concert on 30 May 2019.

You can register as a group/band/choir or as an individual. To register, please email us ([daniela.hoefele@pro-stimme.de](mailto:daniela.hoefele@pro-stimme.de)) and either attach the completed registration form or include the required information about you and your music in your email.

If you would like to teach and develop one of your pieces with the other participants during the workshops (of course supported by our music coaches), please send us **a brief video or audio recording in addition to the registration form** on which you play or sing that piece. Our coaches will review all recordings and decide which pieces are most suitable for the workshop. If this applies to one of your titles, we will get in touch with you before the workshop.

We are looking forward to meeting you!
